RE: U-Save Movers, Inc.
Awendaw, SC

Dear Jocelyn,

Thanks for your phone call yesterday. This letter is to request an extension to file the annual report for U-Save Movers, Inc. The year end accounting for U-Save Movers hasn't been completed for 2009. The Company is related to U-Save Storage, Inc., and the accounting for that company isn't complete as well.

I've prepared the last 3 reports for the Company. It is an oversight because of tax season that I thought the deadline was April 30th. I'm requesting an extension until May 14th so I can complete an accurate report.

Thanks so much for your help and consideration. Please contact me if you have further questions.

Sincerely,

Meredith Rawles
